## **Putnam Police Department Fugitive Apprehension Initiative**

The Putnam Police Department proudly announces a new initiative to locate and bring to justice individuals who they hold active arrest warrants for. Officers within the Putnam Police Department and assisting agencies will be seeking out and taking into custody individuals with active arrest warrants held by the Putnam Police Department or taking refuge within Putnam.

The Putnam Police Department will be releasing their “most wanted” individuals on a regular basis, compiling intelligence and then engaging in warrant sweeps. We are asking for the assistance of the public in locating these individuals. If you know who they are or where they are, we are asking that you contact the Putnam Police Department to report information pertaining to the individual’s whereabouts.

Keep an eye out on various social media platforms including Facebook, Twitter, Instagram for the hashtag #Putnammostwanted, and follow @putnampolice. You can also go to the department’s web page at [www.putnampolice.com](http://www.putnampolice.com) for newly released information.

Information about fugitives may be reported to the Putnam Police Department at 860-928-6565, The crime tip hotline at 860-963-0000, or via the “contact us” page on the department web site to send an anonymous email.

The Putnam Police Department will be taking a proactive approach to seek out those individuals who have active arrest warrants and have gone without capture until now. If you have a warrant for your arrest in Putnam, we will find you and bring you to justice so that those who live peacefully can continue to do so without fugitives walking among them. Help us keep Putnam a safe and friendly community.
